Set in idyllic surrounds, this beautiful apartment is a wonderful escape from the hum-drum of life. Restaurants, cafes & other casual eateries, boutiques and leisurely walks along the (several) beachy sands awaits. Breathe in the fresh air, become revitalized as the playful waves frolic around your feet ... its peaceful, unpretentious luxe with an island paradise feel.

This gorgeous peninsula enables the curiosity to explore the various beaches, nooks to Pittwater, hidden gems & dotted cafes along the meandering side-roads off Barrenjoey Road ... the enchanting walks, the vistas and the peace n' quiet it exudes ... just perfectly sublime.
